 Serial No: 8/917,044) Group Art Unit 1772
 Filed: August 19, 1997) Examiner Jennifer M. Hayes
 For: CONTAINER WITH)
 RECYCLED PLASTIC)

AMENDMENT

In response to the May 1, 1998, Office action, please amend and reconsider the subject application in light of the following:

In the Specification:

Page 27, line 9, change "thermal forming" to --thermoforming--.

Page 28, line 18, change "thermal forming" to --thermoforming--.

In the Claims:

1 (amended). A container having a wall defining an interior and an exterior, at least a part of said wall comprising a plurality of layers including:

- (A) a first layer including a polyethylene polymer; and
- (B) a second layer formed on the surface of and in intimate contact with said first layer, said second layer having a substantially continuous film of a polypropylene, said film occurring at the portion of said part of said wall wherever said first layer occurs and being located, at said portion, toward the interior of said container from said first layer.
